

Frontend Developer

With over 5 years of experience as a Frontend Developer, I am an innovative and dedicated professional with a proven track record of developing high-quality and user-friendly websites. My biggest achievement has been successfully leading a team to revamp the company's website, resulting in a 25% increase in user engagement. My creative mindset, attention to detail, and strong problem-solving skills have enabled me to consistently deliver projects on time and within budget. My proficiency in HTML, CSS, JavaScript, and React has allowed me to develop visually appealing and responsive websites. I am highly adaptable and thrive in fast-paced environments, making me an asset to any team.

Frontend designer

April 2024 - Now

Oracle, India, Kolkata

As a Frontend Designer at Oracle India, I was responsible for creating visually appealing and user-friendly interfaces for various web applications. I collaborated with cross-functional teams to understand business requirements and translate them into design solutions. With my expertise in HTML, CSS, and JavaScript, I was able to deliver high-quality designs that enhanced the overall user experience.
